Comments:

- All the colours in the different categories can be produced within 5 working days and delivered on the 6th working day.
- There may be small colour differences from the RAL colour chart K7.
- Uzin Utz Nederland is constantly developing new colours. If you cannot find the colour you want, other colours may be available on request. Please enquire about what colours are available and about prices and delivery times.

Uzin Utz Nederland bv operates the quality assurance system in accordance with NEN-EN ISO-9001/14001 and is certified for this by TÜV Nederland QA. This means that deliveries are made in accordance with the product and process specifications drawn up for this system. Products and services supplied by Uzin Utz Nederland bv also comply with the description in these technical specifications. As different site conditions and working practices are unknown, Uzin Utz Nederland bv accepts no liability for any damage resulting from any use of its products. With the publication of this data sheet, all previously published data sheets concerning this product become invalid. © Uzin Utz Nederland bv. All rights reserved.
